This Sunday: Rev Mark Schultz: Eph 4:1-18

“Values, Vision and Mission.”

Come along for an interactive experience this Sunday, as we reflect upon the key values that define who we are as a church, and how these values shape God’s call on our Vision and therefore Mission.

If you can’t make it to church then we will continue to live stream, so you can join in, then simply email your thoughts into the church office (thevinesunitingchurch@gmail.com) to be included in the decision making process.

Values are what you believe are important in the way you live and work.

Vision is a clear, challenging, hope-filled picture of the future of your ministry. Vision answers the questions...

- What does God want to accomplish through us?
- What will our ministry look like to accomplish this?

Mission is the purpose of the church. It sets a church’s destination, answering the questions...

- What are we supposed to be doing?
- What is the primary thing that God has called us to accomplish?
- What are we attempting to do for God and for our people?

So come along or tune in to participate in generating our next step as we stand and dust ourselves off from the chaos that was 2020 and set our course for 2021 and beyond.

Peace Rev DJPrior.

OUR MISSION:

*To be a vibrant, growing community of faith,
reaching out in God's love,
bringing others to Christ.*
