

ADULT FELLOWSHIP

The Adult Fellowship will meet on Wednesday 10th November at 1.30 p.m. at the Vines.

We will be discussing next year's program.

Please bring a mug/cup and teaspoon if you want to have a cuppa.

Any queries contact Pam 83811727.

Sometimes it's necessary for people to leave the worship room during a service, for varied reasons.

Please feel free to do so at any time, as the need arises

Prayer Points

This week we pray for:

- For all states in Australia as they commence re-opening in the coming weeks
- For SA Health and all government leaders as we prepare the Roadmap ahead in managing COVID-19
- For world leaders as they gather to discuss climate change impacts, that this may translate into important initiatives for the on-going care of all of creation.

Attention LEPROSY MISSION Money Box Holders

Please come and share in this happy time. Obviously, there will be a strong Christmas focus and so we would appreciate donations that might be bought as Christmas gifts. Margaret Close will once more create lovely gift baskets, so if you would like to contribute to these, please speak to Margaret. All contributions would be very welcome and if you would like to like to help on the day, please speak with Marj or Leon.

WORKING WITH CHILDREN CHECKS

The <http://www.screening.sa.gov.au> website explains that **anyone volunteering** with children needs a Working with Children Check, they are free for volunteers to obtain.

A person is considered to be 'working' with children if they are an employee of the church and they communicate, physically contact, or come near to children in their role.

With this in mind, please ensure that you if you do work with children in your role at the Church, that you obtain the necessary check, available at the above website, and provide Colleen with a copy for the Church files.

Thank you!
