Please speak with David McAvenna if you'd like to help with any of the following:

- ⇒ Bible Reading
- ⇒ Intercessory Prayers
- ⇒ Sound Desk
- ⇒ Worship Team

Please speak with Leon if you'd like to give the Property Team a hand or help with barbecues.

Please speak with Jenny and Peter Croft if you'd like to help with morning tea after Sunday Services.

****Please speak with Colleen or Judy if you're able/willing to help with cleaning every few weeks.**

Sincere thanks to Sharon Whelan who has offered to keep our Library tidy in 2022.

The Vines Uniting Church Christmas Market.

Reynella Neighbourhood Centre,

164-170 Old South Road, Old Reynella

SATURDAY, DECEMBER 11th – 10am -2pm.

The Market is now just 1 week away. This is a great community outreach and you are encouraged to support it if you are able. Margaret Close has put together lovely baskets of goodies suitable as Christmas gifts. Creative Connection ladies have been busy creating gift ideas also. Jacquie is looking forward to being creative with sweets and confectionery. Plants will also be available thanks to Elaine Manson and her team, with some pots being in macramé hangers.

Homemade baked goods are always much sought after, especially large or small cakes and slices. Any contribution will be most welcome. The church will be open from 3.30pm -4.30pm on Friday 10th to receive your donations.

Please come and join in the fun. If you would like to spend a little time behind the table as an opportunity to talk with people, you are most welcome. Come and stay for as long as you are able.

If you are unable to get to the Neighbourhood Centre on Saturday, we will have a table in the foyer on Sunday where you can buy goods not sold on the day.
