## BREAD TAGS

Thank you all for supporting the collection of Bread Tags.

### **A prayer from UC e-News:**

*Lord our Lord – the God of love, grace, compassion and forgiveness, we thank and praise you that Jesus has revealed to us this dimension of your nature.*

*Help us to always be prepared in this Lenten season, to face up to our own failings and measure our steps carefully so that we do not fall deeper into spiritual blindness or cause others to fall with us.*

*We pray for the people and the leaders of both Russia and Ukraine – all the leaders of NATO and the European Union, that they will have the grace to admit their failings and the courage to lead with compassion and grace.*

*We pray for our own church leaders and ourselves as we live out our joyous responsibilities within the community of UCFAMS.*

*These and all issues in our lives we put into your hands and ask for guidance and wisdom in all we do – that all we do and are, may resound to your honour and glory.*

*Through Jesus the Christ, Amen.*
