

TOP 7

On 5th June Ian Painter shared his TOP 7 things to live by.

Following this, Rev. DJP is interested to know which of the top 7 you resonated with.

Q. *If you were to write your own TOP 5 or 7 what would they be?*

Please feel free to let Rev. DJP know and they could perhaps be shared in the Grapevine.

June Godwin's Top 7

2. To care responsibly for all creatures which are capable of feeling all over the world.
3. To love unconditionally.
4. Be friendly and love my brother and neighbour.
5. Enjoy greatly all that is beautiful in nature.
6. Manage frustration over modern technology.
7. Be a wise and thoughtful giver.
8. I conclude each day knowing 'His sheepfold is this Christian's rest'
