RECAP SUNDAY

Over the last 2 months if you have attended or watched on line you would have achieved 8 hours of Professional Development – which I define as “Inner woman or Inner man” work. By attending or watching on line you are “opening your life to grow!” To generate new life within, means putting ourselves in situations where we have an opportunity to learn, grow, adapt, change and be OPEN to the work of God in the world, our lives and others.

The last 8 weeks have focussed on the different ways the Holy Spirit works in our lives, and its impact on our identity and behaviour. Terms such as: Justification, Redemption, Reconciliation, Law, Adoption and how they apply to our lives and interactions. Fundamentally the series is about application of faith:

**“There is a difference between surrendering your life to Christ,
and surrendering your lifestyle to Jesus.”**

T.Bandy, Road Runner, p 36

Provocative quote, which reminds us that faith is about applying what we know in our experiences and encounters. This transforms us and others because life keeps changing, as we face the unknown through age, health, finances, conflict, forgiveness, boredom, guilt, isolation, uncertainty, anger, fear, anxiety and the Covid times we find ourselves in. Therefore remaining open to the Spirit is vital.

See you again Rev DJPrior
