

OUR FAITH JOURNEY – The Story of the Paintings

Verelle Fudge

*The Holy Spirit comes to us
in the beauty of a dove
with gifts of Living Water
and Unconditional Love
We're guided on our journey
and shown which way to go
We learn, and travel onward
enlightened as we grow...
We celebrate Communion
and talk to God in Prayer
Our faith it grows, and we learn more
of Jesus' Love and Care...
For each of us is different
in colour, shape or size,
but each of us is precious
in God's forgiving eyes....
Our faith propels us forward
and gives us strength to care
for all the people 'round us
it's important that we share....
With faith we travel on through life
and people see our smile
and even when the road gets tough
we'll go the extra mile...
For how we live our lives each day
in Faith and Hope and Love –
it helps God's family to grow
to Meet in Heaven above.*

UPDATE ON THE VINES UNITING CHURCH MARKETS.

The September Market was a great success, raising over \$2000, renewing connections and meeting new people.

A number of people said how they missed the Strawberry Fair and were glad to see us back. One of the lovely things was that some of the staff at Cottage Grove graciously brought some of the residents to look, enjoy-- and even buy small gifts. It was delightful to share with so many people.

No! It was not a Strawberry Fair...but it was a pretty good substitute, and we did assure those who asked that we would be back with a:

Christmas Market

on SATURDAY, 3rd DECEMBER, 10am to 2pm.

This is a request for your help! Let's work toward making this an even better experience for everyone. We will have the same stalls that we had last time, and we would really appreciate it if some of you would take a shift behind the counters; for as little or as long as you feel able. This means a chance for everyone to be able to get a coffee or snack at some stage.

Let us work together to share LOVE, JOY, PEACE AND HOPE with our community this Christmas season.

Please speak to Marj, Jacqui, or Leon if you would be able to give even just 1 hour to help in this way.
