UPDATE ON THE VINES UNITING CHURCH MARKETS.

The September Market was a great success, raising over \$2000, renewing connections and meeting new people.

A number of people said how they missed the Strawberry Fair and were glad to see us back. One of the lovely things was that some of the staff at Cottage Grove graciously brought some of the residents to look, enjoy-- and even buy small gifts. It was delightful to share with so many people.

No! It was not a Strawberry Fair...but it was a pretty good substitute, and we did assure those who asked that we would be back with a:

Christmas Market

on SATURDAY, 3rd DECEMBER, 10am to 2pm.

This is a request for your help! Let's work toward making this an even better experience for everyone. We will have the same stalls that we had last time, and we would really appreciate it if some of you would take a shift behind the counters; for as little or as long as you feel able. This means a chance for everyone to be able to get a coffee or snack at some stage.

Let us work together to share LOVE, JOY, PEACE AND HOPE with our community this Christmas season.

Please speak to Marj, Jacqui, or Leon if you would be able to give even just 1 hour to help in this way.

CUPPA AFTER CHURCH ON SUNDAYS

It would be appreciated if a few more people would pop their name/s on the tea roster for Sunday mornings. While Jenny and Peter enjoy serving each week, it would be nice if they could have a break sometimes.

Please speak with them if you'd like to help, or put your name on the roster in the kitchen. Jenny and Peter would be happy to let you know what needs to be done.
